Veranstaltungsnummer.....	53-607
Zeit.....	Mo 10-12
Raum.....	Phil 1219
Beginn.....	4. April 2011

Description

All levels of English-speaking ability are welcome. This course (taught entirely in English) concentrates on improving students' speaking abilities in the English language, with special attention given to students' particular needs and problem areas as they appear. The course will require light reading of newspaper articles and familiarization with topics in current events both in Europe and the United States in order to inspire conversation regarding topics related to politics, law, art, society, and religion.

Sprechstunde während der Vorlesungszeit:	Nach Vereinbarung
Sprechstunden während der Semesterferien:
