Beginn.....	20.10.2011

Modern Canadian Drama

This course will hone in on Canadian drama and its diversity of theatrical styles and themes. Students will concentrate on play scripts from across the country in order to explore the plurality of identity in this literature of the north. The focus will be on use of language, imagery, cultural references and humour. Students will evaluate language, build vocabulary, and investigate common themes by writing response papers, creative assignments and presentations. Assessment will be ongoing.

Sprechstunde während der Vorlesungszeit:	After class each week for 30 minutes
Sprechstunden während der Semesterferien:
