### **PhD Research Colloquium, British and American Studies**

This supervised exam colloquium addresses students writing their PhD thesis in both British and American Studies. Here you can talk about ideas related to your research and discuss them with other PhD students. You are invited to present your work at an early or an advanced stage and benefit from questions and comments. The colloquium will cover questions of approach and method, the outline of the theses, as well as drafts of individual chapters.

Dates for the precise schedule will be settled in the first session.
