Course description

The UK is celebrating Charles Dickens' bicentennial this year, and what do you think of when you think of Charles Dickens? Well, I think of ghost stories. In this course we're going to be looking at some of his ghost stories and at stories by other famous English writers. We'll also look at reports of haunted England in folk tales and in the popular press.

You'll write about ghost stories, tell spooky tales and do an oral presentation on a haunting topic.
