Course description	
This course will consist of:	
i)	An in-depth analysis of written forms: academic essay, article, commentary, report, review.
ii)	Striking the balance: how best to employ language, and which written forms lend themselves to a richer range of language.
iii)	Developing an appreciation of academic English and the differences in register that are required when writing an academic paper.
Students are expected to participate actively throughout the course.
