Beginn	1. April 2015

Course description:

A History of British Literature is an introductory lecture that offers an overview of the developments in British literature and culture from *Beowulf* to New Literatures in English. Students will become acquainted with typical genres, literary strategies and representatives of various literary periods. The works will be contextualized with reference to major philosophical, social and cultural transformations.

Students are required to take and pass THREE short quizzes to get credits for this lecture.
