Course Description:

This supervised colloquium addresses students writing their PhD thesis. Here you can share ideas related to your research and discuss them with other PhD candidates in British and American studies. You are invited to present your work at an early or an advanced stage. Moreover, depending on the group's needs and preferences, you will also debate different theoretical approaches and methods, and discuss general research outlines, as well as drafts of individual chapters.

Dates for the precise schedule will be settled in the first session.
