Beginn.....	16. Oktober 2014

This project seminar open to Master students complements Seminar IV (a), Representations of War in British Literature and Culture (Prof. Berns) and Seminar IV, Representations of War in American Literature and Culture (Prof. Rodenberg).

While the two related seminars (seminar IV (a) and seminar IV (b)) aim to provide you with academic expertise, this project seminar will give you the chance to participate in the organization of a conference on the Vietnam war in 2015.

In the course of this project seminar, you will tackle a broad range of practical issues such as matters of funding, organising the conference venue and inviting guest speakers as well as dealing with public relations.
